

## Welcome to Legacy Place Parma

Come experience assisted living with all the touches of home – and more. Legacy Place Parma is family-owned. Your comfort, satisfaction and well-being are always our priority.

Our pet-friendly assisted living community includes spacious private suites with kitchenettes and beautiful common areas for family gatherings. Continental cuisine with a homemade touch is served three times a day in our lovely community dining room.

We can meet each of our resident's care needs as they change with short-term rehabilitation at Pleasantview Care Center located on the same campus. Additional services include extended care, respite care and hospice.

Please visit anytime. You're always welcome at Legacy Place Parma.

## Assisted Living Community

**Legacy Health Services**  
Our Family Caring for Yours

## The Support You Need The Independence You Deserve

You have worked hard all your life, and no longer want the responsibility of maintaining a home and having to manage day-to-day needs.

We make sure you have all the comforts of home - without the hassles. Gain the support you deserve while living independently in the privacy of your own apartment. At Legacy Place Parma our residents have access to caring professionals who assist with daily living activities as they are needed.

Legacy Place Parma offers a continuum of care that enables our residents to receive more advanced care if and when it is needed without having to move to a different facility.

## Achieving the Highest Quality of Life

Our licensed therapists, nursing staff and physicians offer a comprehensive team approach that focuses on the comfort, safety and dignity of each resident.

We are committed to meeting the full spectrum of our resident's needs. Our licensed nurses and certified caregivers are available 24 hours a day and our registered dietitian plans nutritious and appetizing meals according to individual dietary needs.

We encourage you to get involved in a variety of creative and meaningful recreational activities and therapy programs such as:

- Parties,entertainment and social gatherings
- Art & music therapy
- Exercise classes
- Community activities such as shopping and restaurant dining
- Activities with schools and children's groups
- Religious services
- Educational programs & more
